Addis Ababa

EXPERIENCE

AI GTP

IE Network Solutions

03/2025 - 06/2025 Addis Ababa

- Completed comprehensive training in both theoretical and practical aspects of AI and Data Science
- Gained hands-on experience with real-world projects
- Participated in internships
- Developed soft skills such as teamwork and communication

Internship

Amhara Bank

01/2024 - 03/2024 Gondar

- Configuring, troubleshooting, and maintaining network infrastructure

EDUCATION

BSc in Computer Science

University of Gondar

06/2021 - 10/2024 Location

SKILLS

Azure, Deep Learning, ECommerce, GitHub, Golang, JavaScript, Keras, MatplotLib, Numpy, Pandas, Python, PyTorch, React, Scikit-Learn, Seaborn, SQL, TensorFlow, XGBoost, Node.js, Express.js, Gmail

SUMMARY

AI and Data Engineer Results-driven AI and Data Science professional in developing machine learning solutions. Proficient in Python, SQL, and frameworks like Scikit-learn and PyTorch for data analysis, model training, and optimization. Skilled in translating complex business challenges into actionable, data-driven strategies. Adept at feature engineering and hyperparameter tuning to enhance model performance. Committed to driving innovation through continuous learning and advanced AI technologies. Passionate to mastering the full spectrum of AI and Data Science from data preparation to model deployment and becoming a domain expert who builds impactful, ethical, and scalable intelligent systems.

CERTIFICATION

DP 100 - designing and implementing data science solution on Azure

Microsoft

Data Scientist

Datacamp
